

授業科目名	実用英語演習 I (A2,B2)・II (A1,B1)	担当教員	助教 Lynne Murphy
開講年次・学期	2年前期・後期	必修/選択	必修
開講形態	演習	時間数/単位数	各0.5単位
授業概要			
<p>This course is designed to help 2nd-year medical students improve their English communication skills, with particular attention to writing. Students will have the opportunity to reflect on and participate in discussions on topics of a medical nature. They will acquire new vocabulary and expressions which they can then later apply to their speaking activities and writing assignments.</p>			
G I O (一般目標)			
<p>CLIL Human Biology integrates reading, speaking, and listening skills with prewriting, writing, and revising. The students will be able to develop their writing skill having participated in a variety of communicative activities.</p>			
S B O (行動目標)			
<p>The students will acquire new vocabulary and expressions through listening and reading tasks. They will then apply this newly-acquired knowledge to complete their writing tasks. The students will build upon their writing skill to eventually produce writing at paragraph-level standard.</p>			
成績評価の方法			
<p>Attitude 10% , Mid-term test 20% , Final Exam 70%</p> <ol style="list-style-type: none"> 1) Students must have attended 2/3 of classes to be able to sit the final exam. 2) If students have been late 3 times, it will be marked as an absence. 3) Students must have new textbooks with no writing in them.
