

Mentioning the approval by the Ethics Committee or the Ethics Committee for Animal Experimentation of Shimane University

If your research is directed to humans or animals, you are required to mention the following in “MATERIALS AND METHODS” in “Abstract of Dissertation”

If it's humans,

“The study protocol was approved by the Research Ethics Committee of Shimane University.”

If it's animals,

“All experiments with animals in this study were approved by the Animal Care and Use Committee of Shimane University.”
