

Regarding patient visitation

From April 17th (Mon.) the visitation procedure will change.

Visitation will be allowed for private rooms and wards upon reservation.

We request that you take note of the following when making a reservation for patient visitation.

- Reservation is required for patient visitation.

Please call the ward staff station (either directly or call 0853-23-2111) and make a reservation before you visit the hospital.

Calls for making reservations can be made from 9:00-16:00.

- Visiting Hours are from 14:00-19:00 every day (reception closes at 18:30).

Each patient is allowed up to two visitors once a day for 15 min.

- For visitation, you must go to the reception counter.

After arriving at the hospital, please go to the reception counter on the first floor of Ward C and fill out the reception slip.

Please understand that we cannot accommodate you should you arrive without reservation or outside of reception hours.

Visitation is permitted under the following conditions:

1. On visitation day, you are not unwell.
2. On visitation day, none of the patient's family members are infected with Coronavirus.

When visiting, please adhere to the following:

- Please understand that the visiting time is 15 minutes and takes place inside the patient's room. (You cannot have visiting time in the cafeteria or lounge).
- Please avoid visiting under-18 patients.
- Please use hand sanitizer when entering and leaving the rooms and hospital buildings.
- Please wear a mask at all times.
- Please do not eat or drink during the visitation.
- Please call the ward staff station if within a week of the visitation you develop Covid-like symptoms or become infected.
