

To all hospital patients

Notice: The procedure regarding visitation hours changes from May 13th (Mon.)

When visiting patients, please pay attention to the following and adhere to the rules about time. ※ Making an appointment for visitation is unnecessary.

○ Visitation hours are from 14:00 to 19:00 every day (reception closes at 18:30).

One visit per day, for up to 30 minutes, by up to two people is allowed.

※ However, visits by non-family members may be denied.

○ Upon visitation, you must go to the reception desk.

When you arrive at the hospital, go to the reception desk on the first floor of Ward C and fill out a reception slip. Please wear the visitation permit that you are given at reception around your neck. ※ Please return the visitation permit upon leaving.

※ Please understand that we cannot accommodate you outside reception hours.

Visitation is permitted under the following conditions:

1. On visitation day, you are not unwell.
2. On visitation day, there is nobody in your family with coronavirus or influenza.

Requests regarding visitation:

- Visitation takes place within 30 minutes in the patient's room only.
- Please refrain from visiting patients of elementary school age and under (In principle, from junior high school age and above).
- Please sanitize your hands upon entering and leaving the hospital and the rooms.
- Please wear a mask at all times.
- Please do not eat or drink during the visitation.
- You may have to wait a while when it's crowded.
- If you have Coronavirus symptoms or find that you are infected within 3 days after your visit, please inform the ward's staff station.
- If you would like to arrange an on-line visitation, please enquire at the ward's staff station.
