Announcement of doctoral course 2025: Environmental Medicine I and II

Please note that all the seminars and courses will be held in Japanese.

1. Seminar

Date: 4th Wednesday or Thursday of the month, starting in September

Time: 6:30 PM – 8:00 PM

Place: conference room in Department of Environmental Medicine and Public Health (8th floor of the basic research building)

Seminars will be held in-person or online.

The topics of the seminars will be up-to-date knowledge in Public Health areas, followed by discussion with faculty members, graduate students and Public Health professionals.

2. Short course

Date: every Wednesday, starting from May 14th

Time: 6:30 PM – 7:30 PM

Place: conference room in Department of Environmental Medicine and Public Health (8th floor of the basic research building)

In-person lectures on Public Health research skills (5 credits) and introduction of Epidemiology (5 credits) by Drs. Yamashina and Sadakane. On-demand materials will be distributed for those who could not attend lectures.

→ already finished

Please let us know in advance if you plan to attend the above course.
